

DRCC Medical Director

DeKalb Community Service Board (DeKalb CSB) is recruiting for a Medical Director for our DeKalb Regional Crisis Center. The incumbent provides clinical oversight as well as psychiatric medical service in a residential crisis setting as part of a behavioral health team. Provides psychiatric and medical direction for all services provided at the program site. Evaluates and diagnoses; prescribes medication as needed, performs psychiatric assessments and follows up on treatment to ensure appropriate resolution of illness.

Working to Make a Difference:

At DeKalb CSB you'll discover a culture that strives to provide the right service, for the right person, at the right time.

The DeKalb Community Service Board (CSB) is an innovative, community-based behavioral health and developmental disabilities services organization located in metropolitan Atlanta, Georgia, offering a full range of mental health services, developmental disabilities programs and substance abuse treatment to more than 14,000 citizens annually who are uninsured and underinsured. As a public, not-for-profit organization, the DeKalb CSB operates more than 20 locations in DeKalb County with a diverse workforce of more than 500 direct-care and support staff.

About Atlanta:

A next generation cosmopolitan city, Atlanta rises high in distinct heritage, culinary indulgence, signature shopping and inspirational attractions. Atlanta, Georgia, with its southern charm and ideal balance of entertainment and opportunity, is the home of history. With a diversity of attractions including the College Football Hall of Fame, National Center for Civil and Human Rights, World of Coca-Cola and Georgia Aquarium, metropolitan Atlanta redefines a new standard of living.

Nestled within a robust clinical care community, the work of DeKalb CSB is rooted in the appeal of DeKalb County, Georgia. DeKalb CSB is committed to the community we serve and extends our mission through our Brighter DeKalb Foundation.
